SMART ART  
49212

Vinyl non-woven backed  
4 Panels : 2.12 m x 2.70  
m Made in Germany

49212

This booklet provides an attractive overview of all motifs of the SMART ART collection. Each design consists of two to six separate panels in a practical width of 0.53 meters. Most of the motifs are in general repeatable. This means that they can always be placed next to one another in order to deco ...
